**COMMUNIQUE**

**NOTICE TO OWNERS OF ILLEGAL ADVERTISING STRUCTURES & BILLBOARDS  
(Under Roads Act)**

Following a survey made recently, the Road Development Authority (Highway Authority) has observed that there is an increasing number of advertising structures and billboards being displayed along main roads and motorways.

Some of these structures and billboards have been erected:

- (a) without the written permission from the Highway Authority,
- (b) without renewal of such permits, or
- (c) after revocation of such permits.

Owners of these advertisements are hereby notified **pursuant to Sec 23 (1) of the Roads Act** to have all such advertising structures and bill boards removed within a delay of **21 days** from this notice, failing which the Authority will initiate the necessary legal action.

Owners are reminded that failing, within the prescribed delay, to comply with this notice shall constitute an offence under **Section 23 (2) of the Roads Act**.

RDA relies on the collaboration of all concerned.
