

Executive Summary of Bid Evaluation Report

Contract No. CPB/49/2014

1. Scope of work

The current expansion of the SSR International Airport is anticipated to generate high volume traffic in the vicinity of the airport and Plaine Magnien Village. The solution proposed to mitigate the problem of traffic is to construct a 4.5Km long dual carriageway and associated works which will enable traffic to bypass Plaine Magnien Village.

In that context, the Road Development Authority has invited contractors to participate in an Open International Bidding (To Pre-qualified Bidders) for the project "Construction of a New Airport Access Road to SSR International Airport".
