

ROAD DEVELOPMENT AUTHORITY

UPGRADING OF POINTE AUX SABLES ROAD (B31) AT PETIT VERGER - (CPB/41/2017)

1.0 BACKGROUND

Pointe aux Sables is a highly residential area located in the suburb of Port Louis. The upgrading of the B31 was proposed by the RDA starting from its junction with Albion Road (B78) to the Bus terminus at Petit Verger, Pointe aux Sables.

The Upgrading of Pointe aux Sables Road (B31) shall resolve the following issues, namely:

- Lack of street lightings, absence of road signs and road markings,
- Lack of footpath for pedestrian safety,
- Presence of stagnant water and mud stack on roads, ▪

Dangerous bends,

- Narrow existing road

2.0 SCOPE OF WORKS

The Scope of works includes the following:

- Widening and Upgrading of Pointe aux Sable Road (B31) over a length of 2700m, with a maximum width of 7.0m with shoulder/drain 1.5m wide on both sides.
- Demolition of the existing masonry structures, blockwall and reconstruction of the same wherever required.
- Realignment of horizontal and vertical curves.
- Provision of drainage structures & box culvert.
- Construction of road side footpaths, drains and retaining structures such as masonry walls; ▪ Provision for street lightings.
- Provision of miscellaneous road equipment such as road marking, cat's eyes, traffic signs, handrails, safety fences, road lighting, etc wherever required
