

Ongoing Project

Brief: Improvement of bend at Nouvelle Decouverte

Summary

Title	Improvement of bend at Nouvelle Decouverte
Award of Contract for works	10 June 2019
Start of Works	22 July 2019
Expected Completion	17 May 2020
Contractor	Transinvest Construction Ltd

Introduction

The existing bend is narrow and acute and devoid of footpath, representing a major safety issue for both vehicles and pedestrians.

The aim of the project consists of increasing level of service of the road and enhancing the safety for both vehicles and pedestrians.

The project will consist of realignment of the existing dangerous bend at Nouvelle Decouverte over a length of 600m to a 7.0m wide carriageway with provision of footpath and drains.

Cost of Project

83.2 Million including VAT
