

Completed Project (2017-2018)

Brief: Arsenal Link Road

Summary

Title	Arsenal Link Road
Start of Works	January 2017
Completion	July 2017
Contractor	Transinvest Co ltd
Project Value	Rs 22.6 M

Introduction

A direct link between the end of M3 at Terre Rouge to the Arsenal Barracks Road at Calebasses. The link road has been designed as a two lane carriageway of approximate length of 450 metres and width of 7 metres. Two shoulders of width 1.5 metres on each side of the road has also been constructed.
