

Executive Summary of Bid Evaluation Report

Framework Agreement for Road maintenance and Minor works (2017-2020) CPB/34/2017

1. The invitation to Framework exercise concerns the selection of Framework contractors for carrying out Maintenance and Minor Works in connection with roads under the responsibility of the Road Development Authority as well as similar works for other contracting bodies. The works to be executed concern routine and periodic road maintenance for the RDA including but not limited to resurfacing with asphalt concrete, road upgrading such as construction of footpaths, drains, geometric and structural improvements, realignment of roads, repair and reconstruction of bridges and concrete structures and implementation of road safety measures of all types over a period of three years.

The RDA intends to sign framework agreements with three contractors per zone as far as reasonably possible as mentioned hereunder.

- (i) Zone North- Pamplemousses and Riviere du Rempart
 - (ii) Zone East – Moka and Flacq
 - (iii) Zone Central – Plaines Wilhems
