

## **CONSTRUCTION OF LA VIGIE - LA BRASSERIE - BEAUX SONGES LINK ROAD - PHASE 1**

### **From La Vigie to La Marie**

The road starts from the Motorway at La Vigie, crosses the Phoenix Plaisance Road (A10) at 16eme Mille and ends on La Marie Road (B102) at la Marie.

A key aim of the project from La Vigie to Pierre Fond is to improve journey times between the West, Central and South regions of the country, including between Black River, the M1 Motorway and the SSR International Airport. Furthermore, project will improve connectivity within and between the town of Curepipe where the main road network is currently fragmented and congested.

### **Scope of Project:**

- Construction of 6.5 Km single carriageway 7.0 m wide with 1.5 m shoulders on both sides of flexible pavement from La Vigie to La Marie
- Construction of 2 roundabouts with associated slip lanes
- Construction of slip in and slip out lanes at La Vigie on Motorway M1
- Construction of box culverts and other drainage structures
- Construction of a footbridge connecting Mon Ver track road
- Installation and commissioning of street lightings
- Provision of miscellaneous road equipment such as carriageway markings, traffic signs, handrails, safety fences, etc.;
- Relocation of existing utility services;
- Landscaping.

### **Project Cost:**

Rs 750.8 M including of VAT

### **Contractor:**

General Construction Ltd

### **Starting date of project:**

10th February 2021
